

LETTER OF APPEAL

Our Christmas commitment to our beloved Bishops and Pastors in Lebanon is to feed 5,170 families for one month.

- Your \$25, one-time commitment will feed a family for a month.
- Please consider becoming a recurring donor for \$25 per month to feed a family for one year.
- Each \$25 donation provides 60lbs of food.

We have relationships with 5,170 families.

When you help a family like his, you do more than help just the one family:

- you give hope
- you remove sadness from the heart of the people
- you heal the broken hearted
- you pay the grocer where we buy the food
- you employ the trucker who delivers the food and
- you support the gas station that provides the fuel for the delivery

Your donation ripples into the community and helps support the local economy preventing violence and insuring safety and respect. Most importantly, you ensure that persecuted Christians are free from reliance on terrorists for their food!

We with your help, counting on God's Mercy and for the sake of the holy family of Bethlehem, we save lives.

[In 2020, you helped us feed over 1,170 families \(3 minute video\)](#) and assisted us in developing a basic infrastructure for the Apostolate that helped underscore the importance of our existence and let our cause heard.

Together, let us finish out this year and start the new year by feeding 5,170 more!

God bless you
Merry Christmas and
Happy New Year!

Thank you for your generosity,
